

Intro for Daniel Burbol – Cashflow Expert

- Our next speaker is a former high paid slave from Silicon Valley who broke free of the 9 to 5 trap to live solely on passive income by age 38.
- His new book focuses on how to take your finances to the next level.
- He invests in flips, houses, mobile homes, multi-family, joint ventures, money lending, --but most of all he invests in PEOPLE.
- He has 12 years of investment experience that has benefited people from around the country, just like you.
- With a show of hands, how many of you wish you could make more money while you are sleeping?
- Our next speaker has a program for that.
- How many people here want to see their money make even more money?
- Our next speaker specialized in exactly that.
- How many of you agree the best investment you can make is in yourself? Say “YES”.
- Stand up and give a big round of applause to welcome our next speaker, Mr. Daniel Burbol.
